

Sleepyhead
SANCTUARY®

PRIVATE COLLECTION

ULTRA PLUSH

This is not an ordinary bed, this is a Sanctuary.

Handcrafted in New Zealand with luxury fibres like Wool and Silk, the Sanctuary Private Collection Ultra Plush features the unique Sensorzone sleep system and provides plush comfort.

FUSION:GEL TITANIUM

- New Zealand made memory foam infused with Titanium and gel particles for conforming comfort with improved support and thermal performance.

FUSION:GRAPHENE

balanced temperature

- Breathable memory foam infused with graphene particles
- Helps to conduct heat away from the body for a more comfortable sleep

OptiTemp

temperature regulating technology

- Taking temperature regulation to a new level
- Properties of **KülKöte** Copper combined with a new, cutting edge heat dissipation technology to make your sleep more comfortable for 12+ hours, whether you sleep hot or cold

SENSORZONE: SX

no compromise

- Fully Integrated luxurious dual support system
- 7 zone Sensorzone support combined with a centralised layer of mini-pocket springs

ADDITIONAL FEATURES:

- **Wool & Silk Fibres** – Natural Wool and Silk fibres aid comfort and breathability
- **Eco-friendly Dreamfoam** – Breathable new generation foam for added support

- **Comfort Edge Support** – Sleep right to the edge of the mattress
- **Adjustable Compatible** – Can be used on Sleepyhead adjustable bases

Designed and manufactured exclusively for Smiths City.
